## Loeb & Loeb LLP - Media & Entertainment: Litigation Department

### Band 1

#### Chambers Commentary (based on the Chambers research)

**What the team is known for** Highly respected entertainment law firm, fielding a deep bench of specialist attorneys and offering considerable nationwide capabilities. Particularly strong in intellectual property and contractual disputes about the ownership and exploitation of music, film and television content. Acts for a distinguished client base composed of major studios, record labels and television networks.

**Strengths** Clients say: *"They're always on top of every detail."*

**Work highlights** Successfully defended NBCUniversal, 25/7 Productions, Todd Durkin, Sylvester Stallone and producer David Broome in litigation concerning reality series 'Strong', following plaintiff claims that the defendants committed idea theft and used trade secrets to develop the fitness competition television show.

Represented singer-songwriter Juan Luis Guerra and Universal Music Publishing in claims and counterclaims for copyright infringement of more than 70 musical compositions against Guerra's former record label and music publisher, Karen Publishing, and related entities.

**Notable practitioners**

**Barry Slotnick** chairs the firm's intellectual property and entertainment litigation practice. He represents clients including publishers, broadcasters and record companies in disputes work, with particular strengths in the music sector. Interviewees characterize him as *"a superb trial lawyer"* who *"knows the music industry inside out."*

**Jonathan Zavin** is well versed in intellectual property disputes, where he acts on behalf of a range of music, film and publishing companies. Clients reveal they *"value his analysis and in-depth knowledge of copyright law"* and single out his skills as *"a wonderful writer."*
